Title: Leading with Purpose - Communicate Like a Leader

College: CLIO- <https://navairu.navair.navy.mil/>

School: CLIO

Program of Study: Communications

Description:

This 2 day course uncovers strategies and tactics that will transform the way to communicate with others. Whether or not you are in a leadership position, the ability to keep others informed acts as a cap on business effectiveness; without communication skills to keep people working in concert it is difficult to do quality work in an efficient manner.

The second day of this course is considered a lab.

You must register for the LAB via NAVAIRU CLIO course number CLIO-60-41. This interactive class provides you the support of a performance coach who will privately deliver immediate feedback and reinforcement on learned skills applied through exercise simulations.
